

Bird Paper Airplane Templates: Falcon

Materials:

1 piece of paper

Instructions:

1. Fold an 8 1/2 x 11 piece of paper in half vertically, open back up.

2. Fold the two top corners to the center line.

3. Fold the top triangle over (the two flaps formed in step 2 should now be under the large triangle).

4. Fold the top two corners into the center.

5. Fold the small triangle in the center over the two flaps formed in step 4.

6. Fold along the center line created in step 1 so that the small triangle in step 5 is on the underside of the plane on the outside.

7. Fold along the AB line shown in step 6. Turn the plane over and do the same to the other side.

8. Fold along the AB line shown in step 8. Crease well. Tuck the triangular shaped piece between the two wings. This stabilizes the plane.

9. Decorate the plane to look like a falcon.
